

Accessibility Statement

Published: May 2, 2025

At Home Constructors Corporation, we are committed to ensuring that our website and digital content are accessible to all individuals, regardless of ability. We believe that everyone should have equal access to information, services, and opportunities, and we actively work to ensure an inclusive and welcoming experience for all.

Accessibility Standards

We aim to meet and maintain compliance with **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, which define how to make web content more accessible to people with a wide range of disabilities, including but not limited to:

- Blindness and low vision
 - Deafness and hearing loss
 - Limited movement and dexterity
 - Speech disabilities
 - Cognitive, language, and learning disabilities
-

Key Accessibility Features on Our Website

- Keyboard navigation for all interactive elements
 - Sufficient color contrast between text and background
 - Alternative text for all meaningful images and graphics
 - Logical heading structure and consistent navigation
 - Resizable text without loss of content or functionality
 - Focus indicators for all interactive elements
 - Clear labels for form fields and error identification
 - Compatibility with screen readers and other assistive technologies
 - Subtitle options on all video content to ensure inclusivity for users who are Deaf or hard of hearing
-

Feedback and Formal Complaints

We welcome your feedback on the accessibility of our website. If you encounter any barriers or have suggestions for improvement, we encourage you to contact us:

Please direct all formal complaints to the email address or phone number above. We typically respond within **2–5 business days**.

Organizational Measures to Ensure Inclusivity

To embed accessibility across our organization, we have adopted the following measures:

- Integrating accessibility requirements into our internal policies and procedures
 - Incorporating accessibility criteria into our procurement and vendor selection practices
 - Setting clear accessibility goals and assigning responsibilities within our leadership team and project workflows
-

Assessment Approach

We use a **self-evaluation process** to regularly assess the accessibility of our website and digital content. This includes ongoing reviews, testing, and improvements to address new accessibility needs as they arise.

Continuous Improvement

Accessibility is an ongoing commitment at Home Constructors Corporation. We will continue to update and enhance our website to meet evolving accessibility standards and to reflect the needs of our diverse user community.
